

PRINT QUARTERLY

Registered Charity No. 1007928

The material published by *Print Quarterly* – in the form of main articles, shorter notices, notes, catalogue and book reviews – ranges from the origins of printmaking to the present day, from catalogues of the *oeuvre* of lesser-known printmakers to print collecting and print dealing through the centuries, from iconography to technique, from book illustration to decorative prints, from connoisseurship and the appreciation of prints as works of art to an assessment of their rôle in disseminating styles and ideas.
